adultery”

(Adultery leaves a heart broken)

## How many did you get right?

Five? You did O.K.... But you need to try again.

Six? You did well.

Seven? Good!

Eight? VERY GOOD!

Nine? WONDERFUL!

**Ten? You're a genius!!**

Why do you think YHWH gave us the Ten Commandments?

A

As a way to get to Heaven.

B

As a mirror to look at.

A

~~As a way to get to  
Heaven.~~

B

As a mirror to  
look at.

If you chose "A"  
you're wrong.

**B**

As a mirror to look at.

In the same way, we don't realize what a bad state we are in until we look into the "mirror" of the Ten Commandments.

Do you remember what #9 is?

What is it?

Have you ever lied?

What about #5?

Have you always obeyed your  
parents?

What about #6?

Have you ever hated someone?

Have you always loved YHWH?

Have you ever stolen anything?

Have you been greedy?

Can you see the Ten Commandments are like the mirror -- they show us how bad we are, and how we need to be clean before the Day of Judgment.

That is the Day YHWH will punish people who have broken the Ten Commandments.

They will be sent to a place called "Hell," a place where YHWH doesn't want people to go.

YHWH doesn't want you to be punished.

He loves you so much that He made a way for you to be clean before Judgment Day.

To show you what a wonderful thing YHWH did, listen to this story.

A man had a son who was **really** bad.

He did many bad things, including lying and stealing,

and found himself in trouble with the police.

They said he had to pay a \$50,000 fine or go to prison.

The son didn't have any money, and was about to go to prison.

Then his dad stepped in and used his life savings to pay his son's fine.

That meant that he didn't have to go to prison.

It showed **how much** he loved his son.

We are like that son. But YHWH came down to earth and paid our fine by dying on the execution tree. Y'shua took our punishment on Himself. Then He rose from the dead. That means that we don't have to be punished by YHWH.

**We can live with Him forever!**

It also shows us how much YHWH loves us.

# What should you do?

Ask YHWH to forgive you  
for the **Commandments you've broken** (called "sin"),  
and then **give your life to Y'shua**.

Read Psalm 51 and make it your own prayer.  
When you do that, you will have **YHWH's promise**  
that you are forgiven and will live forever.

Then read your Bible every day (it's full  
of incredible stories -- start with the  
**book of Genesis and Matthew together**),  
and obey what you read. YHWH will  
never leave you.

## **Is your life perfect after you accept Y'shua ?**

Good and bad things happen to everyone. Life is a journey! No matter what we face, YHWH is with us and love us very much.

**“All things work together for those who love YHWH and who are called to follow Him,” Romans 8:28**

**It took the Israelites  
many years to get to  
the promised land.**

Each camp and each stop that  
Israel made was a learning  
experience.

**Israel stopped 42 times to set up  
the Tabernacle. Your life will have  
many stops but YHWH will always  
be with you!**
